(SBU) On May 22, we delivered points (Refs A, B, C, and D) to Kadri Jogi (MFA Acting Division Director for Africa, the Near East, the Middle East and Latin America), Riho Kruuv (MFA Division Director for Strategic Goods Control), and Tuuli Parnsalu (Strategic Goods Desk Officer) and discussed (1) the U.S. proposal at the NSG (Nuclear Suppliers Group) plenary to share Iran export denial information; and (2) the U.S. invitations to discuss the most effective implementation of UNSCR (United Nations Security Council Resolutions) 1737 and 1747 at an open-ended seminar. Parnsalu informed us that Estonia has no information to be shared at the moment in regards to exports to Iran and the GOE does not plan to send a representative in June to participate in the U.S. hosted open-ended seminar in Vienna. On UNSCR 1737 and 1747, Parnsalu again assured us that Estonia fully supported the U.S. initiatives.
